

School Council

Date 18.12.17

Time 2.20

Minutes

The School Council met to discuss the final design for the 'Playground Buddie' bibs. It was decided that the colour would stay a bright yellow, but they did discuss the option of this changing if new bibs needed to be ordered later.

A discussion was held with the pupils regarding what they would like to do with some of the money raised from the Christmas fayre. Pupils shared their thoughts towards a new school tracksuit that could be worn when attending PE competitions and festivals.

In addition to tracksuits, the pupils discussed their ideas about playground equipment. The pupils asked for:

- skipping ropes,
- stilts,
- variety of balls,
- new whiteboards for them to write on

One pupil asked if it would be possible to build a shed to keep all the equipment together.

Actions

- Miss Rogers to speak to Mr Collatine regarding school tracksuits.
- School Council representatives to discuss what new playground equipment children would like during playtime and lunchtime, using initial thoughts from the meeting.
