Minutes

The School Council representatives decided that the 'Playground Buddies' will be from Y3 and Y4. Two representatives from each year group will have the opportunity to complete their duties at playtime and lunchtime. Class teachers in year 3 and 4 will decide at the beginning of the week who the 'Playground Buddies' will be.

The pupils discussed the slogans that their classes had suggested, and were able to pick their three favourites to discuss back in class.

- You've got a buddy in me.
- Be a buddy not a bully.
- Stay happy and keep smiling.

A year 3 pupil discussed the issue of the 'lunchtime manners award' for those children who bring in packed lunches. The school council thought about having a separate award for those on school dinners and those who bring in their own.
