

School Council

Date 4.12.17

Time 2.20

Minutes

The School Council representatives fed back the results from each class vote regarding the slogan. The chosen slogan for the Buddy bibs will be 'You've got a buddy in me'. The pupils were asked to have a think over the next week about how the bibs will look.

The School Council discussed the idea of holding a Christmas movie night for the whole school. We discussed a few different movies that would be appropriate for all age groups. They discussed the possibility of having two movies on the same night, as this would give children the opportunity to attend their preferred film.

We discussed fundraising and future events such as more movie nights in both the spring and summer term.

Actions

- Design how the bibs will look.
- Miss Rogers to speak to Mr McLean regarding a Christmas movie night.
