

School Council

Date 6.10.17

Time 1.00

Minutes

At the previous meeting, I asked the School Council to speak to the pupils in their class about playground equipment.

The pupils came up with a variety of suggestions (swings, a sand pit, a see saw and a slide etc). After discussing ideas, they decided they would like a 'buddy' bench.

We discussed where it could go and what it could look like.

One pupil asked if the Eco Garden fence could be painted.

Actions

- All members to ask the pupils in their class what the buddy bench could look like.
- Ask Mr Burnett to paint the fence.
