## Welcome

Dear Parent/Carer,

Welcome to our Spring newsletter. I would like to thank you for your continued support this term, especially for coming to the Reading Café events, which have been very popular. These events will continue and each Year Group (including afternoon Nursery) will have a turn before the end of the year. Also, to help children to develop a love of reading, we have booked a whole day of storytelling workshops in April where we will have an expert storyteller in school to inspire the children!

I have been busy organising a programme of careers events for our Year 5 and 6 pupils. The plan is to cover a range of careers over two years to give them lots of ideas to think about. So far, we have booked visitors for careers in: nursing, acting, police, data, national security and psychology. We also have a Careers Advisor coming in to work with the children about a whole range of careers options. There are a lot more events in the pipeline and it is fantastic that these people are volunteering their time for our children.

Once again, I would like to thank you for your suggestions. After listening to the views of the pupils and families, we are going to trial a system for pre-ordering school meals so that pupils always have a choice. This trial will take place in Summer Term and we will decide whether to continue with the scheme using both staff and parent feedback.

Please keep telling us what you think of the school so that we can make it even better.

Mrs Hill

They all worked really hard and displayed fantastic team work. It was great to be awarded the Respect Award, voted by the other schools.

The Sports Ambassadors are four enthusiastic, dedicated and hardworking girls. They work alongside Mr Collantine, running physical activity interventions in school, leading activities at Steel River Academy Festivals and they run their own after school club. The girls are doing a fantastic job at developing their sports leadership skills and are becoming very confident and competent at leading their own activities.

The girl's football team were very successful this half term and won the girls football competition at Eston Sports Centre.
