

Caedmon Primary School

Summer 2022
Issue 68

20th July 2022

Welcome

We have had another brilliant term in school.

Please keep an eye on our Facebook page which is often updated with photos and news—especially for our school trips and awards.

This term, Years 2 and 6 have thoroughly enjoyed their residential at Boggle Hole. We will have more residential booked for next year. We have a new school garden with grass, a tepee (still to be built!) outdoor seating and, of course, our school guinea pigs who live outside during the day. Mr Collantine has secured the 'PE Gold Award' for Caedmon—we are now going for platinum and I am sure we will be successful. Forest Schools in Nursery has been a huge success and this will be extended to Reception class for next year. We have a lot to look forward to for September!

We are saying goodbye to our Assistant Headteacher, Mr Butters, who has been a wonderful leader in our school. We will all miss him—especially his daily jokes—but we will keep in touch.

Have a lovely summer with your children, Mrs Hill

Reading Picnics

We enjoyed having parents in school for the reading picnics. It was lovely to see everyone enjoying reading together in the sunshine – there was a lovely atmosphere at each one. Thank you for joining us.

Children finish for the Summer holidays on Wednesday 20th July 2022
Children return to school on Monday 5th September 2022

School Activities

Eco Club

The children from the Eco club planted potato seeds at Easter. They recently harvested them. The children grew lots of potatoes, and they really enjoyed getting their hands dirty in the soil. The children have now taken the potatoes home to enjoy with their families!

Epic Tales

School invited Chip from 'Epic Tales' into school as part of a story telling day. Each year group heard, and joined in with, a story of their choice. It was fantastic!

Community Police

Year 2 spent the afternoon discussing the right choices to make with our local community police officer, PC Illingworth.

Queen's Jubilee

The whole school celebrated the Queen's platinum jubilee. All the children had a fantastic day learning about the Queen and celebrating together with their friends.

Stained Glass Workshops

Mr. Sandford worked with a group of older children to make some stained glass dream catchers. The results were beautiful.

Stained Glass Workshops

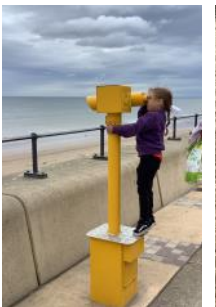

Year 4 children took part in the Tees Valley Trailblazers Competition making Afternoon Tea boxes. Our school made the most profit out of all of the other groups and were awarded the 'Most Profit' award by the judges. Year 4 rewarded their hard work by using their profit to buy all of Year 4 a McDonalds and playground equipment!

School Trips & Visits

Nursery

Our nursery children had a lovely morning at the beach. We may have picked the only rainy day of the week but that didn't stop us from having fun! We even enjoyed an ice cream from Pacitto's.

Year 2

Year 2 visited Stockton & Darlington Railway Museum as part of their History topic - 'Local History - The Birth of Railways'.

Reception

Reception visited Preston Park as part of their Past & Present topic. They visited the Victorian street, played Victorian childhood games, looked at Victorian toys and visited the Victorian sweet shop.

Year 4

Last week the Year 4 children went to Flatts Lane as part of their Skills and Fieldwork topic in Geography. The children enjoyed exploring nature and using their understanding of maps to navigate around the area.

Year 6

Year 6 have enjoyed their final few weeks at primary school. They have visited Flatts Lane, Saltburn, Lightwater Valley and an overnight residential to Boggle Hole and Dalby Forest.

Choir

Caedmon choir recorded a song which they helped to write with members of the community. The song was played on BBC Radio Tees - we were also interviewed! The children felt like celebrities! The song is called Born Of Iron and Made Of Steel.

Caedmon Marathon

This term, our children took part in a sponsored marathon on the school grounds. The children ran, walked and even danced for their allocated time, ranging from 15 to 35 minutes.

Thank you to everyone that sent in sponsorship money, we raised over **£££**. Mr. Collantine will be using this money to buy some fun, new sports equipment for school.

Year 5 - KidzConnect

In Kidzconnect this term, Year 5 has focussed on a number of key skills, mainly team building. They completed a variety of tasks to help improve their team work and communication across a number of weeks. Additionally, Year 5 went on a trip to Newham Grange Farm to study different animals and their habitats.

Awards

All children have the chance to achieve different pin badges. The first award is bronze, followed by silver, gold and finally platinum. Children can also be awarded with the Headteacher's badge.

To win this award, the child must:

- Demonstrate the 'Caedmon Characteristics'
- Have 100% attendance
- Not get any minutes
- Be in school on time each day.
