

Caedmon Newsletter – Summer 1 2025

Dear Parents/Carers,

Even though it was a short half term, we had lots of lovely things happening in school and have lots of events to share with you that are coming up soon.

Artist in school

We were incredibly lucky to have an artist with us for the day – he will be coming back in summer 2 to complete some further projects with the children. It was a fantastic opportunity for the children to learn new skills and have fun in the process. They completed a selection of different artwork from Year 1-6 from jigsaw art to graffiti. I hope you

enjoyed seeing some examples on Facebook.

Fare Share

At Caedmon, we are working hard to support good causes such as reducing food waste. This is one of the key reasons why we have signed up to Fare Share in school. It gives parents and staff the opportunity to buy high quality products that are nearing their best before date. Please come and support us with this venture every **Wednesday** at **3pm** in the **Round Hall**. We never know what we are going to get. Bring **£1** and get **5 food items**.

Year 6 SATS

The Year 6 children worked incredibly hard

during SATS week. We were all so impressed with their 'can do' attitude. It is such a good skill to have in life – always trying your best no matter how challenging something might be. They definitely deserved their rewards of a MacDonalds breakfast and several trips out. I am sure they will continue to shine as they move towards their transition to secondary school. I would also like to thank the staff for their dedication and support with all of the Y6 children during this time.

Visitors/Events
