

Caedmon Newsletter – Summer 2 2025

Dear Parents/Carers,

I can't believe we are at the end of the academic year already. It has been such an amazing year and I am so proud of all the achievements and hard work of the children and the staff.

Summer Fair

Thank you to everyone who supported us with our summer fair this year. We were incredibly lucky to have the sun shining down on us. We really appreciate the support of everyone who joined us, and it was lovely to see so many families attending and having a brilliant time together. We raised the fabulous amount of **£407.05**, which we will be using to help us

develop our outdoor spaces for the children.

Sports Week

Thank you to Mr Collantine for organising another successful sports week. The children had the opportunity to learn a selection of new skills throughout the week. Mrs Dewing even put the Year 5 and 6 children through their paces. It was great to see the amount of effort the children put into sports week, showing determination and resilience throughout.

Goodbye to Y6

We would like to take this opportunity to say goodbye to our wonderful Year 6 children. They have had the most incredibly settled year. They set such a good example to the rest of the school. We are very proud of their achievements and would like to wish them good luck at secondary school and for their adventures through life. They have created lots of wonderful memories this year and we hope you enjoyed their final assembly, showcasing some of these amazing times together.

Playgroup

I would like to say a huge thank you to Mrs Coates and Mavis for leading our very successful playgroup session each Monday morning from 9am-10:30am. Mavis gives up her time each week to do this and we are so grateful for this. Playgroup will continue next year so please pass on the details to anyone you may know who would like to come along.

Exciting news – MUGA

In the summer holidays, we are getting a MUGA (Multi Use Games Area) built on the KS2 playground. This is going to be great for the children to carry out PE sessions and lunchtime activities on an

all-weather surface. It will be marked out for tennis, basketball, netball and football. Here is an example of one already built – ours will look slightly different.
